DETAILED ACTION

Allowable Subject Matter

Claims 1,5-8,11-22 are allowed.

Claims 4 and 25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

No response by the examiner is necessary as all claims have been indicated as showing allowable subject matter.

Election/Restrictions

Claims 9,10,23,24 remain withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 10/2/09.

Applicant is requested to cancel the non-elected claims in order to pass this case to issue.

Claim Rejections - 35 USC § 112

Claims 4 and 25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The preamble of claim 4 is not consistent with the steps that are being claimed. For example, no grinding is taking place as implied by the preamble. Also, note claim 6 that has similar process steps and an accurately

described preamble. In claim 25, line 1, --machine—should be inserted after 'dispensing' to correct an obvious omission.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
